Chairman King and Committee Members,

I write today addressing interim Charge 4: Evaluate the Texas wine industry and the current labeling requirements associated with the use of "Texas" as an appellation. Determine if current regulations and permitting rules are adequate to support the industry's development.

As a farmer of Texas wine grapes, I support Texas Wine Truth in Labeling, which simply requires that in order for a wine to be labeled as Texas Appellation, 100% of the grapes used to make the wine must be grown in Texas.

Sincerely,

Johnny Sanchez
